

DAY USE

Serving our unsheltered neighbors of Bartow County who may not otherwise have access to basic shower & laundry services.

ABOUT US:

The Compassion Center is a 501c3 non-profit organization that is a vision and mission of Crosspoint City Church. We are a volunteer-run organization relying on the generosity of our community to assist in our mission of serving our uninsured, underserved, and unsheltered neighbors of Bartow and Floyd counties by providing free services to meet basic needs.

VISION:

To make Kingdom impact by meeting the physical needs of our neighbors so we have the opportunity to meet their spiritual needs by showing them the Love of Jesus. We want to love our neighbors so well that we will be missed if we were no longer here to serve.

ACTION STEPS:

We will accomplish our mission by providing wellness, educational, and life change opportunities to our neighbors who otherwise do not have access to means such as health care benefits and access to personal hygiene care for those who are shelter insecure, while making a generational impact.
